Professional Summary

Computer Science Engineering student with CGPA 7.21 and practical experience in Python, SQL, Power BI, Tableau and Machine Learning. Developed predictive analytics and NLP projects and completed internship training at East Central Railway.

Education

B.Tech CSE, Sershash Engineering College, Bihar Engineering University Patna (2022-2026) -
CGPA: 7.21

Class XII: 61.6% | Class X: 56.8%

Technical Skills

Python, Java, C++, SQL, MongoDB, Power BI, Tableau, Excel, Pandas, NumPy, Scikit-learn,
TensorFlow, Git, GitHub, HTML, CSS, JavaScript, Flask, Node.js

Internship

East Central Railway, S&T; Department, Danapur (June 2025)

Worked on Railway Communication Systems, Optical Fibre Communication, PRS/UTS Systems,
Public Announcement Systems and Mobile Train Radio Communication.

Projects

Cricket Score Predictor

Developed an XGBoost-based machine learning model to predict cricket scores using historical match data. GitHub: github.com/priyanshu18611/Cricket-Score-Predictor

Spam Mail Detection System

Built an NLP-based machine learning model to classify emails as Spam or Ham. GitHub: github.com/priyanshu18611/Spam-Mail-Detection

Certifications

Cisco Cybersecurity, Cloud Computing, NPTEL IoT, Data Science & Machine Learning, Robotics, Python Certification, Java Certification, IIT Bombay Computer Training

Career Objective

Seeking opportunities in Data Analytics, Reporting, Business Intelligence and Technology roles where I can apply analytical and problem-solving skills.
